Minutes of meeting at the Coronation Hall, 7.30 pm, January 28, 2020

Present: Polly Carson, Robert Carpenter Turner, Carol Whittle, Hayley Kington, Apologies: Steve Hepworth, Alex Oliver, Mike Golden, Charles Reiss. In the absence of Steve Hepworth, Polly Carson (vice-Chair) presided.

Matters arising:

012/20 Chandlers House application 19/10051/FUL: Polly Carson presented the amended plans and drawings for all to see. There was much discussion as to how inadequate the small hand drawn plan was. It was hard to tell from the ground plan of the new garage if it were encroaching into the paddock. It was higher than the barn because the land rose up and the committee felt that altogether it was far too big. Proposed Polly Carson, seconded Robert Carpenter Turner The PC voted unanimously to object to this application on the following grounds 1. It is extremely difficult to ascertain from the various plans exactly what is being proposed. The PC cannot support until detailed scale plans are submitted. 2, In the latest drawings submitted on 14 January, there appears to be an encroachment into the paddock. 3. The north wall of both the garage and barn are no longer aligned. 4. The gateposts and the development are out of keeping with the existing farmhouse and not in keeping with the AONB. 5. The PC objects to the height and depth of the garage and its visual impact on the surrounding area.

There being no further business the meeting closed at 8.06pm
